UW NetID

What is a UW NetID? UW NetID stands for University of Washington Network Identification. Your UW NetID and password is used for accessing your UW information and other online services. Your NetID is the part before the @uw.edu of your email address.

Will I retain my UW NetID?

- > Yes, you will keep your UW NetID, it's yours forever
- > In some circumstances, a year of inactivity can require you to reset your password before accessing services again
- > **Keep track of your NetID AND your Employee Identification Number (EID)** for verification purposes if you ever need assistance from UW-IT post retirement

UW NetID

What is my NetID good for?

- > Workday Access
- > Employment Records
- > Password Retrieval
- > Changing Email Forwarding
- > Library Access
- > Access to Free Parking

UWare...

Will I still be able to download software from UWare? (Office 365 ProPlus, Sophos, etc.)

- > No, retirees will not retain their software services. Software licenses are for current Faculty/Staff and Students
- > If you are doing additional work for UW and need continued access to certain services, a Full Time Faculty/Staff member can provision you using the Provision Request Tool <https://provision.uw.edu>

Email Access

> ALL retirees will have access to UW email forwarding

> Emeritus faculty retain access to UW G Suite and UW Office 365

Emeritus Status:

Upon retirement from the University, both faculty and librarians may be considered for emeritus status, a lifelong designation that recognizes achievements of those with meritorious records.

Before you retire from the UW...

- > **Transfer ownership/sponsorship of Shared UW NetIDs/Mailman lists**
 - **Prior to retirement, find a new owner** for Shared UW NetIDs — Shared Departmental accounts — so these accounts do not expire when you retire
 - > Go to the “Owners and Administrators” section of each shared NetID and change ownership.
<https://uwnetid.washington.edu/manage/?shared>
 - > Same goes for any UW Shared Web hosted websites. Ownership must be transferred to the new owner
- > **Can I still sponsor a UW NetID?**
(for someone who does not already have access)
 - **No.** You must be a current employee
